Jesus told us that his Father sent him. He told his Mother that he had to be about his Father's business. Why is it that the Father, God Almighty, himself has sent you to the earth? He has sent you to do what no one else can do. It might be for you to invent a new way to travel like the Wright Brothers. It might be to save a friend from getting hit by a car. It might be to teach the blind how to read in Braille. Look in the mirror! God made you in his image and sent you to the earth to help him.
