If you are going to follow Jesus, he wants you to do it now. You may give him excuses: "I'll sit and talk with you later, but first I've got to wash the dishes. Next week I'll visit the sick. After I've eaten a piece of cake, I'll help my brother with his homework." When God has a mission for you, he doesn't want you to put it off. He wants you to do it right away, before you do anything else.
